Summer Camp 2016

When I Grow Up...

What did you want to be when you grew up?

President? Veterinarian? Super Man?!

Every child daydreams about what they want to do
when they grow up so this year's camp focuses on

different career paths, some real and some that are a
little silly, to help your child figure out the

answer to that big question:

"What do you want to be when you grow up?"

We would like to invite your child to an event of
friends, fun and learning this summer!
